Went to bed about 1, up since 5, can't sleep. I now hear the rain pelting the skylights. I see snuggling down into the warm covers in my near future. As I lay sleepless and praying for so many hurting people, these thoughts came to me:

God holds us - when our dreams are crashing God helps us - overcome the hurts, the losses, and the disappointments God heals us - when we are physically, emotionally, and psychologically drained

He cradles us in the arms of his care. He comforts us with his understanding. He consoles us with his everlasting love.

Our God is an awesome God! So thankful for his love, mercy, and grace.

I've read the end of the Book - We Win!
